

Healings By Christ Stripes

Isaiah 53:5 "But he was pierced for our transgressions, he was crushed for our iniquities, the punishment that brought us peace was on him, and by his wounds we are healed. It means that through his wounds and suffering we are freed from the consequences of sin and spiritual death. Jesus' death offers wholeness to the body such as sickness, emotional pain and sorrow. Bringing our minds, body, and soul to be like him. We must always remember that God loves us and knew what we we're going to endure. In a song it says, "Give it to me and I bare it, Jesus said give it to me and I'll share it, if there's a need in your life I will take it, but if you only give it to me". Jesus already carried the cross, so why are you trying to carry things and trials that you cannot handle on your own.

In **John 19:17-30**, Jesus carried his own cross and the soldiers divided his garments. They were mocking him. This reminds us that God paid it all on the cross. He could have come down to save himself, but he chose to stay there that we might find hope in his beatings, death, and resurrection, strength in his nail shroud hands and peace in the time of sorrow. Every lash that was performed on him makes us have strength in our weaknesses. So, he left us many promises that we can have faith and rely on him. **Matthew 28:20** "And lo I am with you always, even until the end of the world. **Romans 8:28** And we know that God works all things for the good of those who love him and who are called according to his purpose. **John 15:11** These things have I spoken to you, that my joy remains in you and your joy be full. These are precious promises that our Lord has left us, for we are healed in every way by his stripes.
