Feasts History & Background Scriptures:

The history in celebrating Feasts is rich, some churches celebrate everything while other celebrate nothing. Our church leaders seek to celebrate that which edifies God's Will & Kingdom! Which is why we celebrate the specific days mentioned in this document. In 2025 NBCT read the Bible and discovered God's established Holy Convocations (**Leviticus 23:23-44 and Numbers 29:1-40**) that He commanded his people to celebrate these Holy Feasts Days for continual generations! Some of the original Feast names in scripture were changed to Jewish names! What is unique is that these Feasts are celebrated each year for the same number of days, however, the specific days and dates change based upon the Ecclesial Calendar; but his command doesn't change! Celebrating Feast of Trumpets, Days of Awe, Days of Atonement, Feast of Tabernacle, Shemini Atzeret, Simchat Torah

Worship will be in Corporate and Personal settings during the week and on Sundays; with Wednesday on Zoom/in Person at NBCT; and Saturday Prayer Calls. Most days consist of prayer, fasting, penance, and Special & Regular Sabbaths, specific attire, festive meals, sacrificial giving, etc. For Fasting information review our Prayer and Fasting Guidelines on our website @ nbctfamily.com. To help simplify our knowledge and participation this document has names, dates, calendar, day-to-day activities, links, definitions, a Feast Quiz, and so much more to clarify the Feasts importance!
